NECK BANDS

PVC Shrink Film / Shrink bands are used primarily for Tamper Evidence applications in many industries, including Pharmaceutical, Personal Care, Food, Dairy, Water, Candy, Hardware, Spices, Industrial, Candle, Automotive etc. We provide clear bands and up to 10 color print. Our clients co-ordinate the tamper-evident film with the packaging and label for optimum shelf appeal. All sizes, colors, gauges are available. Regular Cutbands, Dome bags, Square Bags are all custom manufactured to suite product need. Sizes ranging from 16mm Lay Flat (LF) to 900 mm LF are available. Stock and custom printing is also available. Full Body Shrink sleeves for multi-packs are also custom prepared. This offers unique marketing appeal for the consumer due the increased shelf appeal. Individual pre-cut bands are available and also roll tubing for automated machines. Preforms are pre-molded shrink bands which are supplied already opened for simple placement over packaged product prior to passing through heat tunnel.
